NOTES

- 1 YOS is year of starting at BHCHS. For anyone who started after the first year, their YOS is counted as the year their peers started.
- 2 Intake includes pupils who started after the first year.
- 3 The number of starters for YOS 1939-42 is an estimate. I was unable to obtain full lists.
- 4 The actual number of deceased pupils will be greater than the figures shown here
